

Good Evening Sun Prairie Student-Athletes and Families,

We would like to provide information regarding the upcoming spring sports season as well as online athletic registration in Infinite Campus.

It's time to register for your spring sport! Online registration for spring sports begins February 1.

What do you need to do to sign up for your sport?

Please click [HERE](#) to view Sun Prairie East Forms & Sign-Up Information page.

Please click [HERE](#) to view Sun Prairie West's Forms & Sign-Up Information page.

On these pages you will also find a video showing the step by step instructions. At the end of the video it shows how to check to be sure you have signed up for the correct sport.

If you have trouble logging in to the parent portal, please contact district tech support @ kkwendo@sunprairieschools.org

Which form(s) do I turn in to sign up for a sport?

Because the registration is now electronic, you and your son/daughter are agreeing to the Rules and Regulations as well as the Concussion & Cardiac Arrest agreements when you register.

For this reason we do not need forms submitted other than the sports physical.

If this is the alternate year and you are on the list as not needing a new physical for the school year, you don't have to submit anything. You can find the alternate year list on the forms and sign up information web pages. If you do need to submit a new or updated physical form, please email it to this address:

SP EAST: cardinalsathletics@sunprairieschools.org

SP WEST: wolvesathletics@sunprairieschools.org

Or, you are welcome to drop it off at your high school athletic office.

*All students must have a current physical on file before they will be permitted to participate.
