

## **Meadow View Elementary School** Traffic Safety Plan

**School Area Map is on the last page of the plan (page 2).**

The Sun Prairie Area School District is committed to providing students, staff, and visitors a safe, secure, and welcoming environment. We appreciate parents, guardians, and community members supporting our safety and security activities. Thank you for helping us by being a role model for our students.

The school traffic safety plan is developed to help students, staff, parents, guardians, and community members understand how to arrive at and depart from each school in a safe manner. Thank you to parents/guardians of our younger students for helping students to understand the plan. If you have any questions, please ask any staff member or the principal for more information. Please thoroughly read and abide by the traffic plan for your child's school. Please work with your children to know and follow the expectations outlined in the plan.

We encourage parents/guardians to walk and bike with their children, particularly younger children, to and from school every day that weather permits. This is a healthy family activity and a great way to help students start and end their day. Parents/guardians are invited to join their children on the playground before and after school. If you would like to spend more time at the school, please remember that visitors to the school must always sign in and out at the school's main office. Thank you!
