

DESIGN & CONSTRUCTION UPDATE

SUN PRAIRIE AREA SCHOOL DISTRICT
BUILDING
— PHASE TWO —
for every child, every day

APRIL 2020

Much of our world has changed over these past months. Our thoughts are with the entire community as we come together during these unprecedented times. Despite the current situation, the work of the School District has continued. We are committed to educating our students, and to maintaining and expanding our facilities. This design and construction update highlights the progress underway as part of the approved April 2019 referendum, which includes: the **Multi-Purpose Stadium at Ashley Field** renovations, the new **Sun Prairie West High School**, and **Prairie Phoenix Academy (PPA)** and **Cardinal Heights Upper Middle School** renovations.

MULTI-PURPOSE STADIUM AT ASHLEY FIELD

COMING FALL 2020

Conceptual renderings provided by Bray Architects.

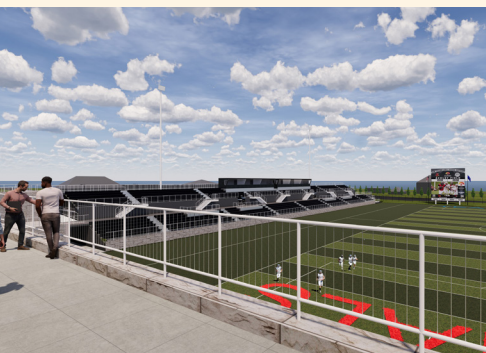

Photo of construction site taken in March 2020

In October 2019, we held a ceremonial groundbreaking for Ashley Field commemorating the final home game played by the Sun Prairie High School football team. Construction on the new multi-purpose stadium began the following week and is scheduled to be completed in time for the fall 2020 sports season.

OUTREACH AND ENGAGEMENT

From the early visioning stages through our milestone groundbreakings, the School District and community have spent over **19 months** planning for the future of our schools. Throughout this process, school staff and the community have provided significant feedback as we work toward the final designs and functionality of our new and renovated spaces.

- 5** Community engagement events
- 6** Board of Education updates
- 8** Student feedback sessions
- 15** Planning committees
 - 193** Community meetings
 - 222** Committee members
 - 330+** Committee hours
 - 6075+** Member hours

COMING FALL 2022

SUN PRAIRIE WEST HIGH SCHOOL

Groundbreaking: After months of planning, we are extremely excited for construction to begin this spring. You will see site grading and earthwork as the first pieces of equipment start to shape the land for the new school. Our April 23 groundbreaking ceremony was canceled, but please watch for another event later this year.

Logo, Mascot, and School Colors: On April 23, we unveiled the newly designed Sun Prairie West High School's wolf mascot and school colors. A huge thank you to our Naming Committee that used community survey results to guide its work. We also appreciate the students and staff who voted on the Naming Committee's final recommendations. We were proud to partner with Birch and Wolf LLC on the design process, and appreciate their contributions in creating our wolf logo.

The current High School will be called Sun Prairie East High School, beginning summer 2022, and will remain the Cardinals.

Learning Community

BOUNDARY TASK FORCE

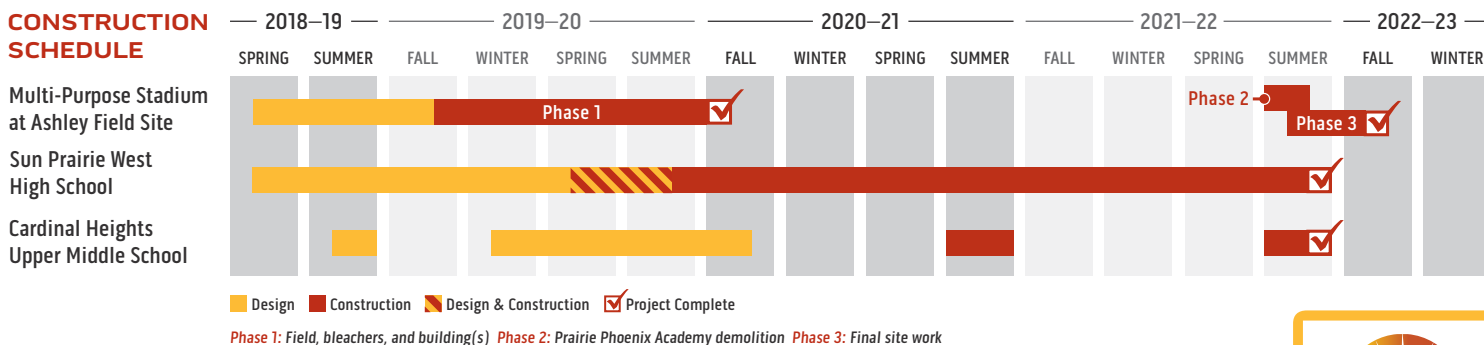

A **Boundary Task Force** is scheduled to begin in fall 2020. The Task Force will create a recommendation for Board consideration for secondary attendance boundaries (three middle schools and two high schools). The approved boundaries will be effective in September 2022. Once boundary recommendations are made, the Task Force will explore any bell/time changes that may be needed for safety and operational effectiveness.

CARDINAL HEIGHTS UPPER MIDDLE SCHOOL AND PRAIRIE PHOENIX ACADEMY

Renovation work at Cardinal Heights Upper Middle School will take place during the summers of 2021 and 2022. The building will be converted into: Central Heights Middle School (the District's third 6–8 middle school), a District and City wellness clinic, a professional development center, and PPA.

Beginning in the 2022–23 school year, the middle school's name will become Central Heights Middle School with a husky as the mascot.
